

# 醤油豚骨 950yen

## Soy sauce Pork bone ramen

Pig skulls and bones are boiled for a long time to create an odorless soup packed with richness and flavor, and ultra-thin noodles with a low water content and a crunchy texture. It is the most popular.

# 背脂煮干 980yen

## Back fat sardine ramen

An arrangement of local noodles from Tsubame-Sanjo, Niigata Prefecture, with plenty of pork backfat in a soy sauce soup that uses plenty of dried sardines.

# 醤油 950yen

## Soy sauce ramen

A refreshing Chinese noodles made with a soup made by slowly extracting the flavor of chicken bones at a low temperature and a sharp soy sauce. Custom-made flat noodles that go down smoothly.

# 塩 950yen

## Salt ramen

The same soup as soy sauce ramen is combined with a seafood-based salt sauce. It brings out the original flavor of the soup even more than soy sauce.

# つけ麺 980yen

## Tsukemen (dipping-style ramen with sauce)

A warm dipping sauce made with pork bone soup, dried sardines, and bonito flakes, and thick, chewy noodles made with cold water.
